

What Do We Need?

Thank you for being a part of our Dance Adventures program! Now that you have registered, you may be wondering what your little dancer needs for class. We have kept it as simple as possible by requiring basic attire that can be found at any dancewear store, website, or even at your local Target, Academy or Payless store. Some websites we recommend are: discountdance.com, dancedistributors.com, and allaboutdance.com. Dance *clothes* are **NOT** required for every day class, but may be worn if desired. We do ask that they bring their dance *shoes* to class each week, so they can get acquired with each dance style and its coordinating footwear in order to learn the proper technique. They will need to have the required leotard and tights (girls) or shorts and t-shirt (boys) for recital performances.
